*This document is intended for artwork review and approval purposes only.

Actual size of blue floating keytag with green imprint
Note: some small text or detail may fill in

200%

Please proof read all copy carefully. Even in cases where camera ready art has been supplied, it is still often necessary to typeset some smaller characters in order to enhance the clarity and to avoid fill ins. Because copiers and fax machines are known to distort images the inch scales give a frame of reference for the transmitted art. The degree by which your ruler does not compare with the rule guides shown, is the degree the transmission has distorted the image. Thank you.
