*****WAIVED PROOF*****

In order to meet your delivery date, here is a copy of your artwork so you can see what we are sending to the manufacturer to be printed. Due to the production time an actual proof is waived.

CAREFULLY REVIEW THE ARTWORK ATTACHED.

****PLEASE NOTE****

Polyurethane Stress Relievers/Balls are hand made and vary in size and texture. Due to the nature of the Stress Reliever/Ball material, uniformity of color and imprint cannot be guaranteed. A certain amount of distortion and movement in imprint positions is unavoidable. Large imprint areas & reverse copy can break up. Also, due to designed pits in the mold on certain Stress Reliever/Ball material surfaces, perfect imprint coverage may be impossible

ATTENTION

The small type had to be enlarged in order to attain minimum readable size.

*****IMPORTANT INFORMATION*** (PLEASE READ)**

Please proof carefully for spelling errors, omissions, and layout accuracy. It is your responsibility to correct any errors. Garrett Specialties assumes no responsibility for errors after a proof has been authorized to print. Please note changes or revisions to your proof from your original instructions may cause revision in your ship date. Delays in paper proof approval also may require a change in your schedule ship dates. Occasionally, some fax machines may distort the image. Please pay close attention to numbers.

It is imperative that you view your e-proof and submit your approval and/or changes promptly to maintain your anticipated delivery date.

Please keep in mind that this virtual proof is not a printed sample of your artwork on our product. The size and placement of the artwork may vary from this proof when actually printed on the product. Carefully review the attached proof for verification of copy & layout.

Due to inherent technical differences in color monitors, the imprint colors and product colors depicted in the attached proof will not resemble those in the final product. We make every effort to match requested custom colors, but cannot guarantee a 100% exact match. Imprints are applied using pad or screen inks. These inks are hand mixed as close as possible to the requested color but may vary 2 to 4 shades. For this reason an exact PMS match cannot be guaranteed.

Your order is ON HOLD until we receive an approval from you in reference to your artwork.
