

*****PLEASE NOTE*****

There are some concerns with your artwork. The embroidery imprint area is a lot smaller than the imprint area if we were to switch to the Screen Print imprint method. They had to make the text "Marbe Restoration" a lot larger, and there might still be issues with rhat text embroidering well. Our manufacturer highly recommends switching your imprint method from Embroidery to Screen Print. Screen Printing on the bags allows for a larger artwork area and would allow your logo to be completely legible. PLEASE ADVISE.

Order#: 134131
Product: Seaside Zippered Cotton Tote: Black
Item #: 1061-313234
Imprint Method: PLEASE SEE BELOW AND ADVISE

OPTION 1: EMBROIDERY

*****IMPORTANT INFORMATION*** (PLEASE READ)**

Please proof carefully for spelling errors, omissions, and layout accuracy. It is your responsibility to correct any errors. Garrett Specialties assumes no responsibility for errors after a proof has been authorized to print. Please note changes or revisions to your proof from your original instructions may cause revision in your ship date. Delays in paper proof approval also may require a change in your schedule ship dates. Occasionally, some fax machines may distort the image. Please pay close attention to numbers.

It is imperative that you view your e-proof and submit your approval and/or changes promptly to maintain your anticipated delivery date.

Please keep in mind that this virtual proof is not a printed sample of your artwork on our product. The size and placement of the artwork may vary from this proof when actually printed on the product. Carefully review the attached proof for verification of copy & layout.

Due to inherent technical differences in color monitors, the imprint colors and product colors depicted in the attached proof will not resemble those in the final product. We make every effort to match requested custom colors, but cannot guarantee a 100% exact match. Imprints are applied using pad or screen inks. These inks are hand mixed as close as possible to the requested color but may vary 2 to 4 shades. For this reason an exact PMS match cannot be guaranteed. Your order is ON HOLD until we receive an approval from you in reference to your artwork.
