Order#: 144264

Product: Cube Shape Stress Ball : White

Item #: 1008-100753

Imprint Method: Pad Print on Top, Bottom, & All 4 Sides: Teal 321

ART NOTES

To ensure that the logos/text are laid out as requested, we recommend that you print out this template, cut along the outside edges, and fold along the lines to assemble the cube. Each of the sides are listed respectively so that you have a reference point. Please feel free to contact us should you have any questions.

ART NOTES

The artwork that you submitted is multi-color; however, you only selected one imprint color (Teal) for all of the sides.

Please confirm if you were looking for the logo to be printed in full-color as you sent it (please be advised that pricing would change with full color printing).

*** IMPORTANT INFORMATION *** (PLEASE READ)

Please proof carefully for spelling errors, omissions, and layout accuracy. It is your responsibility to correct any errors. Garrett Specialties assumes no responsibility for errors after a proof has been authorized to print. Please note changes or revisions to your proof from your original instructions may cause revision in your ship date. Delays in paper proof approval also may require a change in your schedule ship dates. Occasionally, some fax machines may distort the image. Please pay close attention to numbers.

It is imperative that you view your e-proof and submit your approval and/or changes promptly to maintain your anticipated delivery date.

Please keep in mind that this virtual proof is not a printed sample of your artwork on our product. The size and placement of the artwork may vary from this proof when actually printed on the product. Carefully review the attached proof for verification of copy & layout.

Due to inherent technical differences in color monitors, the imprint colors and product colors depicted in the attached proof will not resemble those in the final product. We make every effort to match requested custom colors, but cannot guarantee a 100% exact match. Imprints are applied using pad or screen inks. These inks are hand mixed as close as possible to the requested color but may vary 2 to 4 shades. For this reason an exact PMS match cannot be guaranteed.

Your order is ON HOLD until we receive an approval from you in reference to your artwork.
