Fax: 1-856 424-5269

Hours of Operation: 9:00 - 5:30 pm Eastern, M - F

Customer Service E-mail: [service@garrettspecialties.com](mailto:service@garrettspecialties.com)

**Order#:** 145405

**Product:** \$100 Bill Key Chain Stress Reliever

**Item #:** 1008-304929

**Imprint Method:** Pad Print on the Back: Dark Green 349

**Actual Imprint Size:** 1.875"W x 0.625"H

**NOTE:** The imprint area on this item is kind of small, and your artwork is detailed and contains a lot of text. Please be advised that some of the text is on the small side and may not print legibly as is. Also, the small details in the corner elements will bleed together and fill in.

I would recommend simplifying your artwork for a cleaner imprint.

Dotted Lines Do Not Print

### \*\*\* IMPORTANT INFORMATION \*\*\* (PLEASE READ)

Please proof carefully for spelling errors, omissions, and layout accuracy. It is your responsibility to correct any errors. Garrett Specialties assumes no responsibility for errors after a proof has been authorized to print. Please note changes or revisions to your proof from your original instructions may cause revision in your ship date. Delays in paper proof approval also may require a change in your schedule ship dates. Occasionally, some fax machines may distort the image. Please pay close attention to numbers.

It is imperative that you view your e-proof and submit your approval and/or changes promptly to maintain your anticipated delivery date.

Please keep in mind that this virtual proof is not a printed sample of your artwork on our product. The size and placement of the artwork may vary from this proof when actually printed on the product. Carefully review the attached proof for verification of copy & layout.

Due to inherent technical differences in color monitors, the imprint colors and product colors depicted in the attached proof will not resemble those in the final product. We make every effort to match requested custom colors, but cannot guarantee a 100% exact match. Imprints are applied using pad or screen inks. These inks are hand mixed as close as possible to the requested color but may vary 2 to 4 shades. For this reason an exact PMS match cannot be guaranteed.

Your order is ON HOLD until we receive an approval from you in reference to your artwork.
