PLEASE NOTE:

your artwork contains 5 different colors. This item can only be printed with 3 ink colors maximum. Even if we used 3 different ink colors, we would not be able to match the look of your logo exactly. We would not be able to make all of the states all different colors like i your logo.

I think the best suggestion would be just to omit all the other colors altogether and just print in black. This would orobably match your logo best wihtout the extra colors. Please advise if this is okay.
