I'm sorry, I must have misunderstood your last comment. I read it as if you were saying, if you put the word "REALTOR" next to to your name, then you are obligated to put the agency info on there as well. Which is why I recommended jsut putting "Home Girl" on the first line and your name only on the second line..

I meant to write **without** the designation, not with. Sorry about that!

Is there anything that youd like to change from this proof? Please advise.

"Home Girl"
