REVISED

Note: the tagline "affordable assisted.." is still too small. At the imprint size of 7/8" x 7/8", that text is only about a 4pt font size. This still falls below the 6/7pt font sized required for legibility. This tagline may still fill in and be very difficult to read when printed.

Affordable Assisted Lifestyle Community
This is the current size of that text (very small). It will most likely still fill in and be difficult to read at this size.

Affordable Assisted Lifestyle Community

This is the minimum standard font size for legibility. In order to make the text this size, the artwork would need to be modified and the text would have to be stacked onto 2 lines

*** IMPORTANT INFORMATION *** (PLEASE READ)

Please proof carefully for spelling errors, omissions, and layout accuracy. It is your responsibility to correct any errors. Garrett Specialties assumes no responsibility for errors after a proof has been authorized to print. Please note changes or revisions to your proof from your original instructions may cause revision in your ship date. Delays in paper proof approval also may require a change in your schedule ship dates. Occasionally, some fax machines may distort the image. Please pay close attention to numbers.

It is imperative that you view your e-proof and submit your approval and/or changes promptly to maintain your anticipated delivery date.

Please keep in mind that this virtual proof is not a printed sample of your artwork on our product. The size and placement of the artwork may vary from this proof when actually printed on the product. Carefully review the attached proof for verification of copy & layout.

Due to inherent technical differences in color monitors, the imprint colors and product colors depicted in the attached proof will not resemble those in the final product. We make every effort to match requested custom colors, but cannot guarantee a 100% exact match. Imprints are applied using pad or screen inks. These inks are hand mixed as close as possible to the requested color but may vary 2 to 4 shades. For this reason an exact PMS match cannot be guaranteed.

Your order is ON HOLD until we receive an approval from you in reference to your artwork.
