0	Don't follow where the path may lead. Go instead where there is no path and leave a trail.	Success comes before work only in the dictionary.
1	Tell me and I'll forget; show me and I may remember; involve me and I'll understand.	
2	It's not the will to win, but the will to prepare to win that makes a difference.	
3	Just because something doesn't do what you planned it to do doesn't mean it's useless.	
4	High achievement always take place in the framework of high expectation.	
	Perfection is not attainable. But if we chase perfection we can catch excellence.	
	Instead of worrying and agonizing, move ahead constructively.
